

Dräger Savina® 300 Accessories and Consumables

Compatibility tested accessories and consumables that streamline your workflow and simplify your daily routine are an important part of the Savina® 300 product portfolio. By providing complete system solutions Dräger focuses on increasing patient safety and reducing cost of ownership.

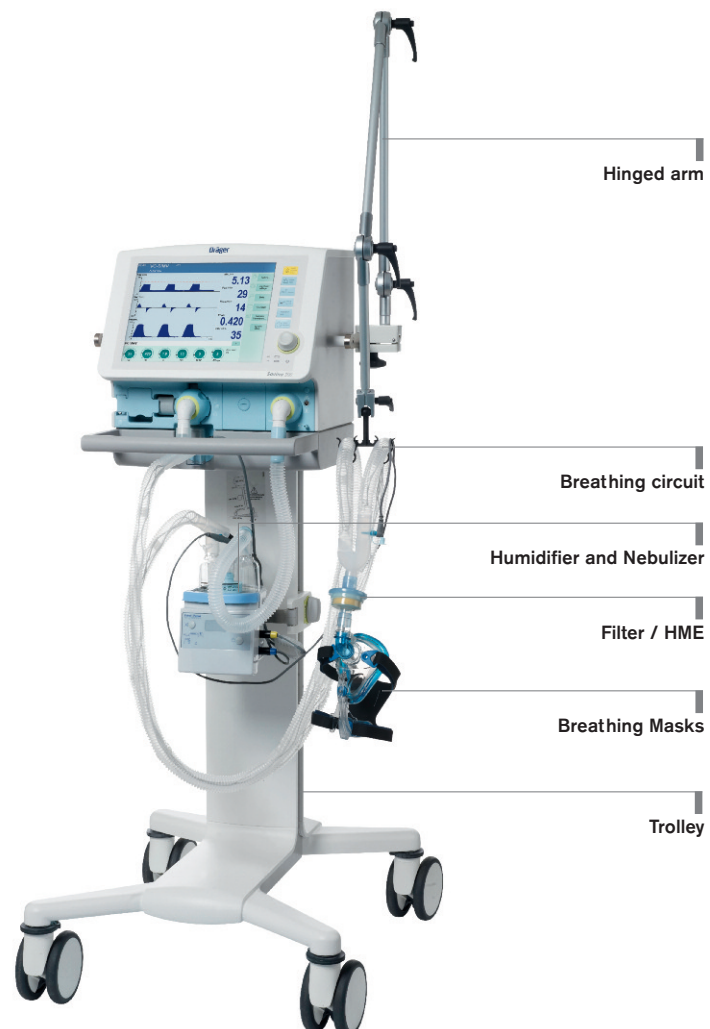

SAVINA® 300 ACCESSORIES

In itself, the Savina 300 represents a milestone in sophisticated ventilation technology that has been designed for years of simple and worry-free operation. It features long maintenance intervals and an optional uplink to Dräger Remote Service for telemetry diagnostics. Accessories such as VentStar disposable patient systems or ClassicStar and NovaStar masks support non-invasive ventilation. Dräger also offers a full range of filters and HMEs for use with the Savina 300. Our selection of hinged arms for rail systems and hose clamps lets you secure and position breathing circuits with almost no effort.

SAVINA® 300 CONSUMABLES

The Dräger Oxytrace VE O₂ sensor and the Spirolog and Spirolife flow sensors work together seamlessly with the Savina 300. You can choose between reusable and disposable expiration valves. Replacement microfilters as well as a complete dust filter set are also available.

ACCESSORIES

Breathing circuit

			REUSABLE	DISPOSABLE
MT-3310-2003		HME breathing circuit	•	8412860
		Consisting of: patient hoses and Y-piece		
D-24203-2009		VentStar Basic 180	•	MP00349
		length: 1,8 m, delivery unit 25 pcs.		
D-24201-2009		VentStar Basic (P) 180	•	MP00351
		length 1.8 m, paediatrics, delivery unit 25 pcs.		
D-24204-2009		VentStar Coax 180	•	MP00356
D-19273-2009		VentStar heated	•	MP00307
		incl. humidification chamber for use with F&P MR 850, insp. heated, delivery unit 10 pcs.		

Breathing Masks

MT-0581-2007		ClassicStar® NIV full-face mask		
D-6409-2009		ClassicStar® NIV nasal mask		
MT-0583-2007		NovaStar® NIV full-face mask	•	
		ClassicStar® non-invasive ventilation full-face mask (NIV) with standard elbow, delivery unit 1 pcs.		
		Size S		MP01573
		Size M		MP01574
		Size L		MP01575
		ClassicStar® non-invasive ventilation nasal mask, (NIV) non-vented, delivery unit 1 pcs.	•	
		Size S		MP01623
		Size M		MP01624
		Size L		MP01625
		NovaStar® non-invasive ventilation full-face mask (NIV) with standard elbow, delivery unit 1 pcs.	•	
		Size S,		MP01579
		Size M		MP01580
		Size L		MP01581

Breathing Filter / HME

MT-4386-2007		Filter/HME TwinStar® HEPA	•	MP01801
		Compressible volume 55 ml, 50 pcs.		
MT-11165-2006		Filter SafeStar® 55	•	MP01790
		Compressible volume 55 mL, 50 pcs.		
D-1027-2009		Filter CareStar® 45	•	MP01755
		Compressible volume 45 mL, 50 pcs.		
MT-11163-2006		HME HumidStar® 55	•	MP01730
		Compressible volume 55 mL, 50 pcs.		

Expiration valve

D-28436-2009		Reusable expiratory valve	•	8413660
D-19386-2009		Disposable expiration valve	•	MP01061

ACCESSORIES

Accessories for basic device

MT-2115-99

Hinged arm for rail systems

2-547-95

Quickstop hinged arm 2

MT-0902-2005

Hose clamp double

MT-0899-2008

Hose clamp for ball mounting

Hinged arm for rail systems **8409609**
incl. 1 hose clamp (for ball mounting) and 1 holder for Y- piece.

Quickstop hinged arm 2, for rail systems **2M85706**
only one handle, 1 hose clamps (coaxial), 2 hose clamps (double), 1 hose clamp for ball mounting

Consumables for basic device

MT-2687-2004

Flow sensor "Spirolog"

MT-2696-2004

Flow sensor "SpiroLife"

D-34335-2009

O₂ sensor, Oxytrace VE

MT-103-2001

Microfilter

D-7167-2010

Dust filter set

Flow sensor "Spirolog", set of 5 **8403735**

Flow sensor "SpiroLife" **MK01900**

O₂ sensor, Oxytrace VE **MX01049**

Microfilter **6737545**

Dust filter set **8417898**

REUSABLE
DISPOSABLE

Trolley

D-25965-2009

Savina trolley

D-24588-2009

Holder for trolley

MT-10984-2006

Gas supply package

D-18097-2010

Cylinder holder

D-18096-2010

Set DC Battery

Savina trolley **8417890**

Accessories for trolley:
Swivel-mounted humidifier holder for trolley **G93111**

Gas supply package:
Cylinder holder **G93110**
Pressure reducer OxyLine for use with cylinders **MP00100**

O₂ connection hose NIST/NIST, neutral, length 1.50 m **M35020**

Set DC Battery (incl. box, 2 batteries, cable) **8417190**

ACCESSORIES

Humidifier and Nebulizer

MT-118-2002		MT-180-99		MT-211-99		Humidifier: Respiratory gas humidifier Aquapor EL (not for USA and Japan) incl. claw set, temperature sensor	8414698
ST-606-2006		2-1350-95		MT-957-2005		Humidifier accessories: Humidifier bracket - Aquapor EL	8411956
	Basic unit MR 850		Pneumatic medication nebulizer		Aeroneb Pro	Filler instruments - Aquapor EL	8405031
						Basic unit MR 850 incl. hoses	8414144
						Nebulizer: Pneumatic medication nebulizer incl. accessories	8412935
						Aeroneb Pro, Ultrasonic nebulizer set	MP01010

Test lung

2-16-92		D-24585-2009				Test lung, adults, blue	8403201
	Test lung		SelfTestLung			SelfTestLung, adults	MP02400

Additional components in the breathing
circuit such as bacterial filters or
HMEs increase the dead space and
result in an increase of compliance
or resistance. The use of additional
components therefore requires
particular care and monitoring!
